Courage to Lead

Foundations of Leadership

Welcome to BYU! We invite you to attend BYU Foundations of Leadership Conference as you find ways to make the most of your BYU Experience.

GO FORTH

LEADERSHIP

The best way to enjoy the BYU experience is to get involved. During the conference participants will:

- Learn about campus involvement opportunities during keynote sessions with campus administrators
- Meet representatives from key campus organizations, such as the BYU Student Association (BYUSA), Multicultural Student Services (MSS), Y-Serve, Student Wellness, Student Alumni Association, and more
- Participate in their first BYU Pep Rally with the ROC (Roar of the Cougar, the BYU Athletics student section)

INVOLVEMENT

ENTER TO LEARN

The BYU Motto of “Enter to Learn; Go Forth to Serve” invites each student to learn to lead and serve as the Savior does. Conference participants have a unique start to this side of a BYU education through:

- Breakout sessions with campus faculty and administrators
- Team-building activities and low ropes course
- Peer to peer leadership and service discussions

CONNECTION

The Foundations of Leadership Conference is designed to develop and transform connections. Participants have an opportunity to connect with other incoming freshman and upperclassmen peer mentors through:

- Peer mentor lead group discussion on these three pillars
- Group games and activities
- A dance party under the stars
